

## Recommended Websites

One of the most important ways to stay educated is to know what is going on in the world. Knowing what is happening as it happens can help keep you in the drivers seat. If you find out it happened 2 days ago, chances are it may be too late to change it.

Checking these 5 online news sources daily will keep you up to date on what is going on in our country. The additional websites are directly related to our movement.

These are just a few to get you started. When you find other reliable sites post them on the website.

\*TIP - At first scan each site and look for the news that interests you. Then as time goes on, scan and broaden your scope of news. Remember Information is POWER!
